Displacement: 17000 Fuel Tank: 250 gal
(946.35 liters)
Fresh Water: 60 gal (227.12 liters)
In Stock: Yes

Engines/Generators

Engine 1

Mercury
Verado V10
Outboard 4 Stroke
400HP
298.28KW
Fuel: Gas/Petrol

Summary/Description

She continues to live up to her reputation when she was named Best New Powerboat under 35' & Winner of the People's Choice Award when introduced at the Newport International Boat Show!

The hull is fitted with standard bow thruster and is designed specifically for outboard propulsion. She offers cruise and top end speeds significantly faster than the traditional single diesel engine.

Her cockpit and helm deck are meant for entertaining with an aft facing seat that easily converts into a U-shaped helm deck dinette or a second berth.

The optional 7.5 kw diesel generator, helm deck and cabin A/C coupled with the spacious island berth and split head and shower are all reminders that this Back Cove is as much for cruising and overnights as it is for day trips.

Call us to schedule an inspection of a 340! She is a show stopper underway or at the docks.

Décor photos on this yacht are of a previously sold 340;ong with brochure photos.

Overview

Steering System

Joystick ControlMechanical System

- Optional Mercury 400hp twin V10 outboards, cold fusion white
- Optional Joystick control
- Optional Skyhook
- Binnacle mount twin engine controls
- 242 US gallon fuel tank
- Fuel Filters
- Electric actuated, heavy duty trim tabs
- Sea Star hydraulic steering
- Power assist steering pump
- Sidepower bow thruster w/ joy stick control
- Hot and Cold pressurized water
- 11 gallon water heater w/ heat exchanger
- Marelon sea valves on underwater thru-hulls
- Below deck air conditioning w/reverse cycle heat
- Optional helm deck air conditioning with revese cyle heat
- Fixed fire extinguishing system

Hull

- Optional Shark Grey Hull Color
- Viny Lester backup resin
- VIP Resin Infused Hull w/ PVC foam core bottom and topsides
- VIP Resin Infused foam core stringer system
- Painted boot stripe color white
- Molded cove stripe depression with silver cove stripe

Deck

- Back Cove white iso-npg gelcoat w/ graystone anti-skid
- VIP Resin infused cored sandwich structure
- Mooring cleats forward, aft and spring line.
