Overview

Manufacturer Provided Description

The S-310 Center Walkaround brings unmatched versatility in an agile and sporty platform. Built to excel at fishing, water sports, overnighting and entertaining guests in style, you'll find standard features to enhance every experience.

Powered by twin Yamaha F300 outboards, the S-310 CW delivers exceptional performance and speed. Quick planing ability and high efficiency are afforded by an advanced double stepped hull. The uniquely designed Laminar Flow Interrupters provide outstanding cornering ability. The deep V forward and tapered bow flare allow the S-310 CW to handle rough water.

Standard in the cockpit, it's an angler's paradise. With 6 rod holders topping the gunwales, 8 rocket launchers, flood lighting, EVA traction decking and a large livewell, you'll be ready for any fight. Pop-up cleats retract for a snag-free cockpit. Below deck you'll find a built-in fish box and additional storage in the lazarette. The self-bailing deck and raw water washdown make cleanup a simple task.

The cabin is a comfortable escape from the elements. Standard air conditioning and reverse cycle heating allow you to

keep the interior at the perfect temperature. The large V-berth converts to lounge seating for additional entertaining space. In the cabin you'll also find a Bluetooth equipped, multi-zone Fusion stereo system, refrigerator/freezer, LCD flatscreen, 110v outlets, rod storage and opening portlights. From the main cabin, you'll find a fully enclosed head with an electric flush toilet and shower.

Standard at the helm you'll find dual Garmin 8612 chartplotters with fully customizable displays for complete confidence. Integrated bow and stern cameras, electronic throttle controls, docking lights, and a bow thruster that makes docking easier than ever. Additionally, the helm sports a Yamaha engine display with fuel flow, autopilot and tilt steering wheel.

BYS's 310 includes joy stick control and Garmin radar!

The walkaround leads to a spacious open bow featuring a standard Fusion stereo with subwoofer, hardtop accent lighting, eleven drink holders, a removable table, and seating for six. Our bow utility console houses a fully recessed anchor, line storage and a fold out bow ladder for easy access to the beach.

The S-310 CW is built in the USA, fully loaded with premium features and ready for your next adventure.
