The double stepped hull increases efficiency and performance, reduces fuel consumption, and contributes to her quick time to plane. The hull also incorporates a Laminar Flow Interrupter technology for smooth, positive cornering.

She offers a 360-degree view from the helm. An innovative aft bulkhead window opens, allowing the dinette seat to transform into a rear-facing cockpit seat.

Onboard you'll enjoy a private stateroom, enclosed head and galley featuring hot and cold water, stove top, microwave, and refrigerator/freezer. The forward stateroom features wrap around seating and a high/low table that drops to complete the forward berth for a comfortable night's sleep.

The main salon has a dinette for four that transforms into an additional berth for two. Below the dinette there is a mid-berth perfect for kids or additional storage.

Fluid Motion the builders of Ranger Tugs and Cutwater Boats has introduced this new premium sport line of Solara Boats and Boston Yacht Sales is thrilled to have been appointed the New England dealer. Solara Boats range from 25 - 31'.

They have combined state of the art hull technology with the highest quality marine components to create a next level boating experience: a legacy of innovation and forward-thinking design

The Solara S-250 Coupe is a versatile outboard-powered pocket cruiser that offers an abundance of features designed to make cruising, fishing and entertaining stress-free.

Overview

Factory Description

The Solara S-250 Coupe is a versatile outboard-powered pocket cruiser that offers an abundance of features designed to make cruising, fishing, and entertaining fun and stress-free.

The S-250 C offers a 360-degree view from the helm as well as an innovative aft bulkhead window that opens, allowing the dinette seat to transform into a rear-facing cockpit seat. On board the S-250 C you'll enjoy all the comforts of home with a private stateroom, enclosed head, and galley featuring a sink with hot and cold water,

stove top, microwave, and refrigerator/freezer.

The forward stateroom features wrap around seating and a high/low table that drops to complete the forward berth for a comfortable night's sleep. The main salon has a dinette for four that transforms into an additional berth for two. Below the dinette there is a mid-berth perfect for kids or additional storage.

Powered by a Yamaha 300 HP outboard, the S-250 C is fast and efficient. The double stepped hull increases efficiency and performance, reduces fuel consumption, and contributes to her quick time to plane.
