Fuel Type: Gas/Petrol
Hull Material: Fiberglass

Engines/Generators

Summary/Description

Probably the ultimate classic powerboat, this Cigarette 41 was built by Regatta Plastics Company. A head turner in any harbour.

This boat was built in 1979 as a leisure style cruiser boat with all of the comforts and amenities included in any large cruiser vessel, however designed for speed.

Being a proper "Deep Vee" Cigarette Race Boat, this boat comes into its own when the seas are rough and choppy. This has to be one of the best classic offshore race boats in the World!

Both engines are NEW in 2019; ZERO Hours. Not launched in recent summers as owner has another motor yacht that he cruises. Worthy of detailed inspections.

Construction

White fibreglass hull with design; white fibreglass deck with design; helm seat; companion seat; additional seating; swim platform; hydraulic steering.

Accommodations

This vessel can sleep three people.

Bubble Deck cabin with 6 feet headroom, microwave, television, sink, large enclosed head with sink, closet, sleeping berth, sitting area with table and plenty of storage spaces.

Interior appointments include: blue curtains; blue carpet; vinyl headliner.
