Summary/Description

The Tayana 37 is a cruising boat with traditional appearances, long water line, heavy displacement, cutter rigged, 6'6" headroom throughout, eleven bronze ports, bowsprit, and a lavish use of teak above and below decks.

The Tayana 37, designed by renowned yacht designer Robert Perry, was one of the most successful production offshore cruising designs.

Many Tayana 37's have been circumnavigated and they continue to be highly sought after by those looking to bluewater cruise.

Construction

Grey fiberglass hull; cream fibreglass non-skid decks; blue cove stripe; blue boot top; red bottom; full keel; fiberglass rudder; bow & stern pulpit; double lifelines w/two gates; wheel steering; emergency tiller; pilothouse enclosure; Bimini; two hatches; ten opening ports.

Accommodations

This yacht sleeps seven (7).

One manual head w/y-valve. Sink, vanity & shower.

Galley is equipped with single stainless steel sink; 12/110 volt refrigeration; freezer; three burner propane stove w/oven; 60 gallon water capacity; hot & cold pressure water.
