Summary/Description

Simply look at this 2007 Sea Ray 290 Sun Sport. If you are in the market for a high-end sport boat with room for the family, you do not want to miss this Sea Ray.

This boat is a lot of fun on the water and something to get excited about. With a sleek and stylish low profile that rides well due to the wide beam and low center of gravity. When you combine day cruising, water sports, entertaining and overnighting all in one boat, you come up with the 290 Sun Sport. It s more fun than a barrel of kneeboarders! A wide 9' 8" beam, lots of cockpit space and a spacious cabin make this boat perfect for a day and a night on the water.

Power is twin Mercruiser 350 MPI engines and Bravo III's. Large in floor cockpit storage, outdoor stylish finish with a three axel trailer. Stands out from others in style and performance in this 290 SS.
