### Manufacturer Provided Description

The Protector TARGA design offers a fully enclosed cabin design with comfortable deck space, seating for up to 10 adults, two 7' bunks, electric head and secure storage for overnight boating. Optional TARGA cabin tops include a full glass windshield hard-top, a 3/4 windshield hard-top and a 3/4 windshield canvas top with a stainless steel frame. The TARGA's solid laminate, fiberglass hull is built for strength and safety and the chambered hypalon tubes provide shock absorption, stability and additional flotation. Together, the deep-V hull and UV resistant tubes create unmatched safety and performance compared to traditional hard sided boat designs.
