## Summary/Description

This boat is like new powered with a Suzuki 200 with only 10 hours. One owner local boat. No issues. Every button works. 2023 Excalibur BT3100 Trailer included.

The Ultra-Series by Carolina Skiff, is three boats in one. Equally at home, inshore on your local lake or large river, in the bays along the coastline, fishing the tidal creeks and offshore exploring. Either way, you can go out with the family and enjoy a day on the water or you can stow away all the cushion seats and fish hardcore with friends. However you plan to spend your time boating, the Ultra-Series can handle most all conditions. With every convenience imaginable at your fingertips, from the step in console with porta potti, rod storage, plentiful lock-able storage and U-shape bow seating with drop in oval table - the Ultra-Series can go any where and do anything, one boat for different needs, anything is possible.

### Manufacturer Provided Description

The Ultra-Series by Carolina Skiff, is three boats in one. Equally at home, inshore on your local lake or large river, in the bays along the coastline, fishing the tidal creeks and offshore exploring. Either way, you can go out with the family and enjoy a day on the water or you can stow away all the cushion seats and fish hardcore with friends. However you plan to spend your time boating, the Ultra-Series can handle most all conditions. With every convenience imaginable at your fingertips, from the step in console with porta potti, rod storage, plentiful lock-able storage and U-shape bow seating with drop in oval table - the Ultra-Series can go any where and do anything, one boat for different needs, anything is possible.
