Summary/Description

Designed for cruising, the Jeanneau Sun Odyssey 349 offers comfort and safety without sacrificing performance. Priced to be the best value in North America!

The high coaming in the cockpit, very reassuring for parents, remains comfortable and safe even when heeled.

The shoal keel allows access to shallower areas, all while providing optimal lift and reducing drag. This sailboat also benefits from clever innovations with its wide hull and adapted sail controls.

On the interior, modular living spaces adapt to different moments while cruising, including a large galley and retractable chart table.

With substantial headroom, the comfortable and inviting saloon is perfect for entertaining at the end of the day.

The Sun Odyssey 349 offers two true double cabins and a large storage space, a very practical option for longer voyages.

Our 2024 Jeanneau Sun Odyssey 349 is in stock at our yard in Chester.

Manufacturer Provided Description

From the very first glance, the Sun Odyssey 349 captivates with her sleek lines, generous interior volume, and inviting cockpit. Designed by Marc Lombard and true to the values of the Sun Odyssey line, the 349 is the perfect combination of performance, comfort, and safety at sea. Whether in the cockpit or at the helm, at anchorage or at sea, you will love this seaworthy, stable and easy-to-handle sailboat.

Escape from the everyday and get your family on the water in this high performance cruiser, which can comfortably sleep six people! With two or three cabins, a spacious salon and a very functional galley, the Sun Odyssey proves both well appointed and inviting. High quality woodwork accents an incredibly bright, well-lit interior.
