Summary/Description

The Gran Turismo 41 is the latest model in BENETEAU's express cruiser line, and she is as easy to handle as she is beautiful to behold. With boast-worthy speed, racy head-turning lines, and inviting social spaces, this feature-rich cruiser offers endless opportunities for fun on the water.

The Gran Turismo 41 is the latest model in BENETEAU's express cruiser line, and she is as easy to handle as she is beautiful to behold. With boast-worthy speed, racy head-turning lines, and inviting social spaces, this feature-rich cruiser offers endless opportunities for fun on the water.

Elegant and comfortable, she is beautifully designed, and her luxury fittings and clever layout appeal to everyone.

With her sporty hull and slender lines, the Gran Turismo 41 immediately conjures up speed and elegance. She is designed to win you over but was also created with entertaining in mind. Everything on board is devised to make life easier and more enjoyable: safe movement around the boat, a highly social U-shaped salon, a functional outdoor galley, and many comfortable relaxation spaces.

The lower deck is extremely comfortable, and ideal for cruising and overnights. Apart from the galley and the head, there are two closed-off private cabins, each with beds parallel to the boat's centerline, offering optimum quality of life on board.

High-performing and open to the elements by day, the Gran Turismo 41's generously sized spaces and peaceful atmosphere invite true serenity on board by night.

Air Step® technology increases the Gran Turismo 41's speed and stability by increasing the volume of air inflow under the hull. She accelerates faster, optimizing speeds and reducing fuel consumption. This patent has stood the test of time and offers excellent seakeeping, simpler passage through the waves, linear acceleration, and easy handling of curves. The "Air cushion" effect is reinforced by rear pads; V-shaped steps further improve the boat's stability.

Price may not include Freight and Commissioning.
