Summary/Description

In Stock at Cape Yachts! Immersing yourself in the wonders and beauty of the seas for weeks on end has never felt more comfortable than when you're onboard the Grand Trawler 62.

In Stock at Cape Yachts! Immersing yourself in the wonders and beauty of the seas for weeks on end has never felt more comfortable than when you're onboard the Grand Trawler 62.

Comfortably cruising where you want to go with a range of 900 nautical miles. Her central raised helm station makes handling a breeze for owner-captain cruising. The GT 62 brings you a hull beam of 17'10", significantly more than boats even larger. Tremendous accommodations and living spaces with the storage to bring not only your supplies but all the water toys you and your family want! The yacht is fitted with state-of-the-art navigation systems, communication equipment, and automation features, ensuring a safe and enjoyable cruising experience.

Upgraded Electronics:

- (3) 16" Raymarine in the wheelhouse and on the flybridge
- Raymarine 3D Echo sounder, VHF at both helms, AIS, stern, and engine camera
- Upgraded Sense Mase 24
- 6 Solar Panels on Flybridge top
- 110 V Shore Power with automatic retractable reel and more!

The GT 62 is the result of BENETEAU's collaboration with Massimo Gino (Nauta Design) and Amedeo Migali (MICAD). She capitalizes on the highly successful Swift Trawler range of practical, spacious boats, with a considerable cruising range, and she puts Groupe Beneteau's experience in producing luxury boats to good use. The GT 62 has a distinctive displacement hull developed by MICAD, which aims to improve cruising range and efficiency, making it easier for owners to cast off on long-distance cruises. Designed for 6 to 8 people on board (+ crew), the boat has an impressive flybridge - one of the biggest on the market. The interior is spacious and well-appointed. The galley can be completely enclosed. The VIP guest cabin in the bow has a generous amount of headroom so that you feel like you are in a hotel suite. Strikingly spacious inside, with volumes similar to much bigger yachts, and ingeniously designed, these large passagemakers also have enough space to comfortably house a crew. A satin wax-finished wood, leather, and elegant textiles make for a stylish interior and exterior, carefully designed by the experts at Nauta Design. The midship owner suite makes clever use of the maximum beam so that you really feel like you are staying in a luxury suite. Price may not include Freight and Commissioning.
