Summary/Description

Lightweight, full-length fiberglass deep-V RIB, designed for extra space, durability, and performance.

AB Inflatables Ventus 10 VL

Lightweight, full-length fiberglass deep-V RIB, designed for extra space, durability, and performance.

Due to its unique design, the Ventus requires very little horsepower, without sacrificing maneuverability.

Whether you are cruising back to the marina for lunch or hosting a fishing trip, the Ventus packs a variety of features into one small, light package. Designed with a deeper freeboard, the Ventus is equipped with a spacious interior ensuring an enjoyable, stable, and dry ride.

Keeping up with our standards of safety, we designed the Ventus with an additional air chamber built into the hull. Designed to be easily hauled onto a deck or davits, it can also be pulled up on a sandy beach for shore excursions with ease.

Engines available to add onto your new Ventus 10!

Price may not include commissioning, freight, and certain options.
