Summary/Description

Sea Ray got it right with the 400 Sedan Bridge, a super-popular cruising yacht with a near perfect mix of European styling and luxury-class amenities. Introduced in 1996, Sea Ray went on to sell hundreds of these yachts before production ended in 2003. She is a beautiful and spacious Sea Ray 400 Se

She features the preferred layout with two large staterooms, two heads, and a spacious mid-level galley with a salon-level breakfast bar. The forward owner's stateroom has a full-size bed, cedar-lined hanging locker, floor storage, private head and shower, and a TV. The two twin beds in the port stateroom easily convert to a full-size bed. There is a lot of room for personal articles in the hanging cedar-lined locker, built-in drawers, and floor storage. The guest head with shower is right next door.

The well-appointed, finished galley has wood cabinetry, a flush-mounted three-burner electric stove, refrigerator with freezer, and microwave. The salon is has a large sofa that converts to a bed, cocktail table and a dinette.

Her roomy cockpit includes bench seating and molded steps with a security hatch and gas-assisted latch provide safe access to the airy and spectacular bridge. The bridge features centerline helm station with lots of room for electronics, dual swivel seats and a wonderful lounge environment that converts to a table.

She has the desirable Caterpillar 3116 engines, an 8kw Westerbeke generator, two stations of heating and air conditioning, good electronics, full flybridge enclosures in great shape, and more. Please give us a call to schedule some time to take a look at this well priced diesel-powered 400 Sedan Bridge.
