Fuel: Gas/Petrol
Hours: 1336
Year: 1990
Location: Starboard

Generator 1

Quicksilver
8KW
Hours: 456

Summary/Description

One of the more popular Sea Ray express cruisers ever built, this extreme-sized vessel set the sportboat standards in her day for contemporary styling and dockside eye appeal. With two 340 hp. inboard Mercruisers, she will cruise at 18 knots and max. at 28 knots.

The two-stateroom interior is arranged with an island queen berth forward and a unique guest stateroom midship that is separated from the salon by a retractable mirrored bulkhead. Slide the bulkhead away and convert the bunk into a sofa, and the area actually becomes part of the main cabin.

Her spacious interior is well thought out for entertaining, and her home-size galley is appealing to the would-be chef in your family. The salon boasts a rather large curved settee with a convertible dinette across from a breakfast bar that is an extension of the galley counter. The head includes a shower stall. The outside spacious cockpit provides lounge seating for as many as eight passengers.

This is an excellent family boat with plenty of room to be together and still have your space.

PLEASE NOTE THAT THE DINGHY AND DINGHY LIFT ARE NOT INLCUDED.
