In Stock: Yes

Engines/Generators

Engine 1

Yanmar
4J3HE
Inboard
50HP
37.29KW
Hours: 920
Year: 2000

Summary/Description

The classic Tayana 37 warms the hearts of cruising sailors everywhere. Sadly, this one is an Estate Sale. The gentleman was working on outfitting her for an extended Arctic Circle cruise and passed away before he was able to finish her up.

There has been a great deal of work done on her but there is still a fair amount to finish up. She has all new electronics, wiring, plumbing and some deckwork. She still needs to have her decks repainted, have some of her portlights and hatches resealed and have the electronics installation finished up.

In the interest of full disclosure, she is still a bit of a project boat. There is a very complete survey available noting her current condition and the work yet to be completed that was commissioned by the estate in June 2023.
