Summary/Description

Egg Harbor designs were built to the highest standards of the time, catering to the more affluent and experienced boaters. During the 1950's, C.P. Leek purchased the remainder of the company's stock from his partners and merged Egg Harbor with Pacemaker Yachts. By the 1960's this combined organization

A great live-aboard and a true classic!

ELIZABETH is an Egg Harbor 37' Double Cabin with flying bridge. A very rare model with inside and outside steering, two separate cabins with heads, a salon separate from the galley and dinette. She was lovingly crafted of mahogany planked wood by Egg Harbor, in 1969. She has been very well kept and is likely one of the nicest examples of this classic design currently on the market.
