180HP
134.23KW
Fuel: Diesel
Hours: 1480
Year: 1999
Location: Middle

Generator 1

Honda Portable
2KW

Summary/Description

Built in Nova Scotia - these hulls are traditional fishing boat hulls that are built for heavy seas. Richardson decided to make a few hulls with an extended cabin for the pleasure market.

SEPT 2023 - PRICE REDUCED BY \$25,000 CDN PLUS OWNER WILL PAY FOR LOCAL WINTER STORAGE.

In the cabin on this hull, she boasts a double island bed and full head in the forward stateroom. The Main Cabin has a comfortable wheelhouse and a full galley area with 3-burner propane stove, dual voltage fridge, sink, TV with an internal DVD player, large water tanks and more. The Head has a toilet and sink and lots of storage spaces. The main room has a pullout couch that converts to a full size double bed. Aft in the cockpit through sliding doors is a fully screened sitting area. There is a shower off the stern as well and there is a swim platform and a dingy with outboard motor included.

Lots of extras on this boat. The engine has been recently checked out with new injectors and fittings as well as a new transmission...\$20,000 CDN in all for the refit.

Sea Wolf is somewhat utilitarian but is a very capable long-distance pocket cruiser. She is perfect for a single person or a couple who wish to do an extended cruise very economically.
