## Summary/Description

This 32 Sedan bridge is truly a unique craft. She was designed by Fairline Yachts in England and constructed in British Columbia by Fairbanks Yachts for rugged off-shore, long-distance cruising and the 32 Sedan is capable of the task. Outfitted with fuel efficient twin Volvo I/O's, propane stove and

This particular vessel was well cared for by her last two sets of owners one who gave her a new 'Awl-gripped' hullsides, new canvas, and the second one who has improved her on-board systems and infrastructure immensely.

Thanks to her high-quality build, efficient engines, exceptional sea-keeping, and self-sufficiency with propane galley equipment, this Fairline 32 Sedan is a perfect long-distance cruiser for a couple. Be sure to check out this exceptional craft and let the dream begin.
