Location: Middle

Summary/Description

BAY BREEZE is a 1986 Island Packet 31 in excellent condition and a very good 2023 Insurance Survey. She has a spacious and luxurious interior with a private owner's cabin forward with a large vee berth, good storage in cedar lined hanging locker, a private entrance to the good sized head and plenty

The centerline companionway divides the aft section of the Island Packet 31. It is wide and angled to be safely negotiated in all kinds of conditions. The steps lead to a wonderfully large cockpit that has great room for sailing, entertaining or napping. There are 2 deep lazarettes for storage, a swim ladder and bay breeze has a dodger, bimini, connecting panel and full cockpit enclosure for your protection and comfort.

The head with commode, sink and pullout shower has great storage and an opening port and hatch. Next aft, is the main saloon with facing settees. The starboard settee converts to a real double berth. A clever dining table unfolds to seat 6 but stores on the bulkhead when not needed making the saloon a great place to relax and entertain. There is lots of storage under and behind the settees and in a cedar lined hanging locker.

The "U" shaped galley is aft on port and with its double sink, 2-burner alcohol stove with oven, and a big, deep refrigerator, you can really enjoy preparing and eating great meals. There is great storage, a drop down serving table, lots of ventilation and real pull-out trash container.

The aft cabin is large and roomy with a big double berth. A pocket door separates the companionway and quarter berth. The switch panel is readily accessible over the table, and the table folds up out of the way to provide easy entry and exit for anybody sleeping in the quarter berth.

BAY BREEZE shows that she has been lovingly maintained since new and is in far superior condition compared to most. Her attentive owners have made numerous improvements over the years. Please check out her photos and the full specs on the following pages.
