Fuel: Gas/Petrol
Hours: 2
Year: 2023

Summary/Description

The Highfield Sport 360 is a perfect combination of luxury features and a dry riding heavy-duty aluminum hull mean the Sport 360 is the best of both worlds in a small tender RIB.

The twenty-degree hull with welded lift strakes takes you through the roughest conditions and can be brought up on rocky beaches with peace of mind, while the luxury diamond stitch cushions make for a comfortable day on the water. The deep rear seat and ergonomic console offer more leg room any other RIB its size and the console includes a tinted windscreen, grab rail and the optional carbon dash. The dash has room for a 5 chart plotter to help with navigation. The bow step is designed to be extra wide for easy boarding, using split double bow nav lights and folding cleats so no tripping hazards. There are three dry storage compartments including an extra deep rear seat area, and all include hydraulic pistons to hold up lids for easy stowing. Rated for 6 persons and 40hp, and incorporating a built in 8 gallon fuel system, the Sport 360 has everything you need in a deluxe tender RIB.
