BOW & STERN THRUSTER | HYDRAULIC PLATFORM | GENERATOR & INVERTER

WELCOME HOME! Step aboard and indulge in elegance. Extended stays and adventure awaits with all of the comforts of "HOME" aboard. With a wealth of accommodations for 6 guests and 1 crew, the vessel boasts all of the best features available on a large motor yacht. The enclosed bridge with climate control provides entertainment or lounging abilities and a wide 360 degree vantage point around the boat for the skipper to have a full view of the surrounding waters while operating. The cabin features a large living room style salon with a spacious elevated galley with dinette. The master is a full beam stateroom with connected bathroom. The Guest and VIP staterooms also feature their own bathrooms with enclosed showers. At the stern there is a full crew quarters connected to the engine room where inside there is plenty of room to move around the Volvo Penta D12 Diesels. If you are looking for a luxurious motor yacht on the Great Lakes, this vessel should be at the top of your considerations.

Broker Notes: 1000 service completed including valve lash adjustment (records on file) Last marine survey completed in 2022 (on file). Mechanical Maintenance is up to date and current (records on file). Vessel is currently located indoors in a heated facility for the 2023-24 winter in Detroit, MI. A Highfield Aluminum Bottom Inflatable with console can be worked into a deal.
