Summary/Description

The Cobalt R30 is a luxurious bow-rider sporting the most sought after features for your pleasure on the water.

The Cobalt R30 is a luxurious bow-rider sporting the most sought after features for your pleasure on the water. The platform features a hydraulic swim step covered in sea deck style flooring with ladder to make boarding from the water an ease. The rear sun lounger has adjustable backrests for forward or aft facing seating. Engine access is convenient with an electronically operated hatch. Inside the cockpit which is shaded by a fiberglass hardtop with retractable sun shade, is U shaped seating accommodations in the aft with plentiful storage underneath the cushions. Snap in sea grass carpeting is easy to keep clean and is comfortable on the bare foot. The helm is equipped with the latest Garmin Nav screens to make a friendly user interface for the skipper to operate the boat. To the left of the helm there is an enclosed pump out head with sink. Moving forward of the walk through windshield there is a large bow u-shaped seating area with forward facing backrests and storage underneath the cushions.

HIGHLIGHTS INCLUDE BUT ARE NOT LIMITED TO:

- Hydraulic Swim Platform
