Engine 1

Volvo Penta

MD11

Inboard

23HP

17.15KW

Fuel: Diesel

Year: 1980

Location: Middle

Summary/Description

Aphrodite is a first generation Niagara 35. The Mark Ellis designed boats were built to the highest quality at Hinterhoeller Yachts. The hull design and cockpit with high coamings makes for an ideal blue water cruiser.

Aphrodite has had some recent upgrades and following her last survey in 2020. Aphrodite has been wonderfully maintained and it shows. Those looking for a stable vessel in inclement weather with beautiful classic lines, should look no further.
