Overview

Notable Features

- Upgraded twin Yamaha 5.6L 425HP V8 4 stroke engines in white
- Electric power steering
- Bow thruster
- Zipwake Trim System
- Custom Simrad electronics package
- Power center window
- Air Conditioning/Reverse Cycle Heat in cabin (8K BTU)
- Onan Generator
- Vitrofrigo DW100 freezer below mate's seat
- Hull Awlgrip - Stars & Stripes Blue
- Boot Stripe - White
- Cove Stripe - Silver
- Ultraleather Upgrade for Helm Deck
- Trim Package (cherry dash panel, grabrails and battens, padded panels, storage room lockers)
- Custom Helm Deck enclosure and cockpit seat covers
- Removable cockpit table with port and starboard cockpit mounts
- Centerline cockpit seat filler with seatback cushion
- Synthetic teak on swim step
- Raw water washdown
- Mast for Hardtop
- Anchor Windlass

Electronics

- Simrad 19" NSO EVO3 multi-function display
- Simrad Remote Control Keypad at captain's chair
- Simrad HALO 24 dome radar with doppler technology
- Simrad AP44 Autopilot • Simrad NAIS-500 Class B AIS
- Simrad Structure Scan 3D black box sounder module
- Simrad XSONIC SS75M tilted element transducer
- Simrad weather and radio module

- Simrad Platinum US Northeast and Canyons
- Furuno FM4850 VHF Black Box Radio
- Standard Horizon PA Hailer Horn
- ACR RCL-75 Spotlight
- Yamaha engine functions, Fusion, Trim Data and Fresh Water level networked to Simrad displays
- Fusion stereo (Sirius XM ready)

Helmdeck Features

- Clear anodized aluminum framed windows with opening side and center windows •
- Three (3) windshield wipers with fresh water wash and intermittent control
- Lewmar sliding overhead hatch with OCEANair Skyscreen
- Compass, illuminated
- Stazo wood grain steering wheel
- Llebroc helm seat
- FRP companionway slider with screen and lockable latch
- Helm foot rest that folds down for helm step
- Helm deck storage hatch opens by electrical linear actuators
- Stainless steel tie down rails in storage room
- Convertible dinette with Back Cove high gloss inlaid table
- Mates seat back converts for helm or settee positioning
- Aft dinette seat converts for face cockpit
- Storage locker beneath aft dinette seat
- Charging station (AC/DC/USB)

Galley Features

- Optional Vitrifrigo freezer below Mates seat
- Electric two burner cook-top
- Drawer style Vitrifrigo AC/DC refrigerator
- Large stainless steel galley sink with single lever faucet and drop in cover
- Solid surface countertop
- Drawer and door storage below countertop
- Trash container pull out cabinet
- Tip-out tray at sink

Cabin Features

- Varnished Cherry interior on molded composite hull liner
- Lewmar overhead hatch with screen and shade
- Two (2) stainless steel opening port lights with screens and shades
- Island double berth with drawers and storage below
- 7" standard ticking mattress
- Shelves above berth
- Cedar lined hanging locker to starboard
- Drawer and shelf locker to port
- Cherry hull ceilings and headboard
- SiriusXM ready Fusion stereo system with Bluetooth connectivity and cabin and helm deck speakers
- "Teak and Holly" high pressure laminate sole with surface texture
- Molded headliner with soft panels
- Charging station (AC/DC/USB)

- Reading lights

Head Features

- Head to port with separate shower stall to starboard
- Molded seat in shower stall
- Built-in vanity with sink and storage
- Borrowed light in head with privacy glass
- Stainless steel opening ports with insect screens and shades
- Cherry framed mirror
- Solid surface countertop
- Single lever faucet
- Shower-drain sump system
- Fresh water electric MSD with 36 US gallon holding tank
- Macerator for holding tank overboard discharge as permitted
- Holding tank pump-out fitting on deck
- Sealed overhead LED lighting
- Powered exhaust fans (12Vdc) in head and shower
- Waste and fresh water level gauge

Hull Features

- Modified "V" planning hull with TrELIS
- Back Cove white iso-npg gelcoat with vinylester backup resin
- VIP Resin Infused Hull with PVC foam core bottom and topsides
- VIP Resin Infused foam core stringer system
- Painted white boot stripe
- Molded cove stripe depression with silver leaf style stripe and Back Cove Heron

Deck Features

- Back Cove white gelcoat with graystone anti-skid on walking surfaces
- VIP Resin Infused balsa core sandwich structure
- Mooring cleats forward, aft and mid-ship (aft cleats are pop-up style)
- Stainless steel anchor roller weldment
- Optional Anchor Windlass
- Anchor locker with ground tackle storage
- Stainless steel flag staff receiver
- Removable burgee staff
- LED hardtop mounted running lights and all around anchor/nav light
- Teak accent stripe on cabin side
- Custom 1-1/4" 316L stainless steel perimeter rail
- Stainless steel handrails on hardtop, port and starboard
- Compressed air horn on hard top
- Four (4) opening port lights with insect screens and shades
- Port and starboard molded steps leading to side and fore decks
- Molded quarter seating in cockpit with storage underneath, port and starboard
- Transom door on centerline
- Cockpit hatch to lazarette
- Port and starboard swim steps with stainless steel undermount swim ladder to starboard
- Hot and cold fresh water cockpit shower

- Self-draining cockpit
- Acrylic companionway sliding door with screen
- Cockpit grab rails behind cockpit seating on coaming
- Swim step engine well with drain and hinged hatch cover
- Transom mounted grab rails

Mechanical Features

- Twin Yamaha 5.6L V8 outboard engines/425HP (white)
- Electric Power Steering
- Yamaha 7" color display
- Three (3) blade stainless steel propellers
- Binnacle mounted Yamaha twin engine control
- Yamaha fuel filters
- Electric actuated Zipwake dynamic control system with auto control
- Side-Power bow thruster with joystick control (SE50)
- Hot and Cold pressurized fresh water system
- 11 US gallon hot water heater with pressure relief valve plumbed to thru-hull
- Marelon sea valves on underwater thru-hulls
- Below deck (8K BTU) air conditioning with reverse cycle heat
- Fixed fire extinguishing system in lazarette with manual backup
- Raw water strainers on generator and AC intakes

Fuel System Features

- 242 US gallon aluminum fuel tank with 1.5" deck fill to port, vented with overfill protection
- Evaporative emission carbon cannister
- 25 US gallon vented cross-linked polyethylene diesel tank with 1.5" keyed deck fill on transom
- Fuel/water separating filters with anti-siphon fuel valves

Electronic Systems

- Onan diesel generator with sound shield
- AC and DC control panels with polarity indicator
- 12Vdc system battery management switching
- 12Vdc breakers for electronics
- Emergency engine battery cross-over switch / ACR
- Two (2) 120Vac 30 amp shore power inlets with 50' cords
- 120Vac shore power system ELCI protected
- Galvanic isolator • GFCI protected 120Vac outlets
- 60 amp battery charger
- Two (2) 4D AGM house batteries wired parallel
- One (1) Group 31 AGM battery for each engine
- One (1) Group 31 AGM batter for the bow thruster/windlass
- Three (3) 12Vdc automatic bilge pumps
- Bonding system with zinc transom anode
- LED storage room and lazarette lighting
- Cockpit courtesy lights switched at transom door and helm
- Overhead LED cabin and helm deck lights with dimmer control
- Reading lights in cabin and helm deck
- Overhead bi-color LED helm deck light with switch

- 12Vdc outlet at helm and in cabin

Manufacturer's Description

The award-winning 340 is Back Cove's first-ever outboard-powered model. Her revolutionary hull design features Back Cove's proprietary Trailing Edge Lifting Surface (TRELIS) □ which gets her on plane faster and requires less horsepower than traditional hull designs. Capable of a 30-knot cruise and top-end speeds in excess of 40 knots, the Back Cove 340 will extend your cruising grounds, bringing new destinations within range and reducing travel time. Her cockpit is meant for entertaining with an aft-facing seat that converts into additional salon seating. At the helm, her captain will enjoy 360-degree sightlines, surrounded by large opening windows for abundant light and air. To port, a comfortable mate's seat is the perfect perch while underway. When at anchor, the mate's seatback slides forward, creating an elegant and social U-shaped settee. To starboard and aft of the helm is the fully equipped on-deck galley with convection microwave, two-burner electric cooktop, and ample storage. Below deck, the Back Cove 340 offers a comfortable queen-sized island berth outfitted with storage drawers and spacious outboard shelves. Aft of the berth, she features a split head and shower unit that ensures her owners are comfortable no matter how long their journey. Extra provisions, water toys, and other accouterments will find their perfect home in the Back Cove 340's sizable storage space, conveniently located beneath the salon sole.
