Summary/Description

CLEAN AND PROPERLY MAINTAINED VESSEL CURRENTLY IN MEXICO. OWNERS OCCASIONAL PLAY THING. BUYING A BIGGER BOAT SO THIS ONE MUST GO.

DETAILS

Excellent condition!

2018 Lagoon 450 Flybridge version, well-equipped and ready for cruising.

This vessel comes with low hours and she's been continually maintained and had the special Lagoon warranty work.

The boat needs nothing. She's a beauty.

What more can be said about the Lagoon 450 - probably the single most successful catamaran ever built?

The largest and most comfortable catamaran in her class, the Lagoon 450 offers multiple spaces for living and relaxation.

From her comfortable saloon with spacious galley to her enormous cockpit, to the spacious flybridge and upper sunbathing area, to her forward conversation pit, this vessel has plentiful room for all of your family and friends.

This boat is in particularly good condition. It's hard to find a nick or scratch in any of the interior surfaces. Upholstery is all in excellent shape, the exterior cushions made of the great-looking charcoal textured Sunbrella that seems to wear like iron.

Features include a full cockpit and flybridge enclosure, air-conditioning throughout, a big generator, a 1600w solar array that keeps you from relying on the generator, 720Ah of gel batteries, a 100L/H watermaker, a Highfield 340 dinghy with 15 HP Yamaha outboard. This is a boat you could cruise on tomorrow.

If you're looking to get out there and cruise in comfort and style with your family and friends or do high end day or term charter, this may just be the boat for you!
