Summary/Description

With an optimized deck area and a sporty design, the Flyer 9 SUNdeck is a welcoming day-boat with neat finishes. By adopting the wide port forward Smart Walk-Around concept borrowed from the Flyer 10, the Flyer 9 offers excellent accessibility to the spacious front deck and great safety.

With an optimized deck area and a sporty design, the Flyer 9 SUNdeck is a welcoming day-boat with neat finishes. By adopting the wide port forward Smart Walk-Around concept borrowed from the Flyer 10, the Flyer 9 offers excellent accessibility to the spacious front deck and great safety.

A fishing station is available as an option, as well as rod holders on the freeboards.

With the Flyer 9 SUNdeck, BENETEAU once again demonstrates its mastery of space on board and further enhances the comfort features of the previous generation. Now, more than ever, the pleasure of taking helm on this boat is combined with comfort of life on board and ease of navigation.

While the Flyer 9 SUNdeck can accommodate graciously in its cockpit, it also features a comfortable cabin, which is particularly large and has two extensive double berths. The bathroom proves surprisingly spacious with a separate shower.

Sea-view terrace

The side platform that opens to port is one of the major new features on the Flyer 9, offering sea views and easy access for swimming.

Two berths

A feat on an open hull: the Flyer 9 SPACEdeck can accommodate 4 people for a night on board thanks to the two berths.

A complete exterior galley, well-integrated and protected by the wide windshield, allows you to cook on board easily.
