Summary/Description

The surprisingly spacious Flyer 8 SPACEdeck is a joy to drive and perfect for entertaining. Certified to carry 10 passengers, she is ideal for all day-boating adventures: sunbathing, picnicking on board, water sports, or fishing trips.

The surprisingly spacious Flyer 8 SPACEdeck is a joy to drive and perfect for entertaining. Certified to carry 10 passengers, she is ideal for all day-boating adventures: sunbathing, picnicking on board, water sports, or fishing trips.

The style of the Flyer 8 SPACEdeck is boldly modern, with energetic lines, black railings, and a spacious deck plan. Driving is sheer pleasure, with good sea-keeping performance thanks to an Air Step 2-equipped hull. This Flyer boasts excellent modularity with a center console, modular cockpit, and an aft bench that converts into a spacious sun pad. The attention to details continues with the materials used in the cockpit. Picking either of the two available upholstery options, you will find a true attention to detail and high quality finishes.

Functional, ergonomic and agile, every space on the Flyer 8 SPACEdeck is optimized and there is a wide range of options to suit the largest of families!

The Flyer 8 SPACEdeck's single engine is ergonomic, saves money and offers good performance. Circulation to the stern is made easier and the swim platform is much bigger. With a 300 hp Mercury engine, she can reach peak speeds over 43 knots.

With its modular seating, the Flyer 8 SPACEdeck allows you to create several different layouts in the aft cockpit. Perfect for any activity.
