Summary/Description

This is the only one available in New England at the present time.

They loved it so much they bought A bigger one! Here's a great opportunity to own a beautiful Swift Trawler 35 with just 385 engine hours. This recent trade is well equipped with generator, reverse cycle air/heat, ice maker, bow and stern thrusters, full electronics, underwater lights, dinghy davits, electric anchor windlass, TV, full electronics a unique three door transom opening for full access to the water, and more. Please review full specs below and call with questions. This is the only one available in New England at the present time. Offers are encouraged.

Description of the Swift Trawler 35

A safe, comfortable, and ingenious boat designed for coastal cruising and out to the Bahamas and beyond. The many qualities and the size of the Swift Trawler 35 will tempt you to go on a long cruise including perhaps the Great Loop.

The Swift Trawler 35 has strong harmonious lines making you feel reassuringly safe, and this quality is repeated in the design. Built on a semi-planing hull developed through the expertise of Beneteau Power, the Swift Trawler 35 has a Cummins 425 hp engine, and together they procure pleasure underway and offer easy maneuvering. Protected by either a Bimini, the Swift Trawler 35's flybridge has a comfortable living space with a sea view.

Accommodations

Sliding glass doors open fully to connect the inside with the cockpit but close to provide an enclosed and comfortable living room environment. There is also a large sliding glass door by the helm for easy access to the side decks. Two private cabins below and a head and shower along with the salon couch that converts to a double bed provides sleeping for six inside. Curtains upstairs deliver privacy. Windows throughout provide excellent visibility and the galley up keeps the cook in company.

Manufacturer Specs follow:
