The PowerBoat Guide had this to say:

The Sea Ray 470 Sundancer (called the 43 Sundancer in 2009) is a luxury-class yacht with everything any boater needs for cruising or entertaining, including all the latest and greatest technology expected in a world-class express yacht. The sleek styling reflects current European design trends, and the excellent performance of the 470 is a match for any of her Mediterranean counterparts. Stepping aboard, the Sundancer's cockpit is a huge party platform with wraparound seating for a small crowd of friends. Below, the high-gloss cherry interior has the galley to port and Ultraleather lounge seating opposite. Wooden Shoji doors provide privacy to both cabins, and the galley boasts an upright refrigerator in addition to lots of counter space. Note the split configuration of both the mid-berth and forward stateroom heads. Throughout the interior, the quality joiner work and finish speak volumes about Sea Ray quality. Additional features include an integrated hardtop/windshield, Skyhook (dynamic positioning) technology, joystick controls, and a state of the art entertainment system. With twin Zeus drives linked to Cummins 480hp diesels, the 470 has a top speed of nearly 35 knots.

Manufacture Provided Description

Our 470 Sundancer is destined to be an instant classic. How do we know? Because it is packed stem to stern with winning design features and innovations, including standard Zeus 360-degree Control pod drives with an intuitive helm joystick for stress-free docking. Plus, there is an enclosed helm with two independently retractable sunroofs, offering the ultimate in weather protection and climate control. This luxurious Sundancer will change the way its owners boat forever, guaranteed.

Key Features

- Standard Cummins MerCruiser QSB 425 Diesel Zeus drives.
- Custom euro-style helm seat with flip-up, thigh-rise bolster, armrests, and heavy-duty pedestal with slide, swivel and pneumatic vertical adjustment, and fiberglass seat shell.
- Companion bench with molded fiberglass storage.
- Electrically actuated engine compartment hatch.
- Sirius satellite receiver with antenna (N/A outside N. America)
- 12V AM/FM single CD with six-disc CD changer, eight (8) speakers and digital cockpit remote control.
- Zeus Drive System includes Skyhook Station-Keeper technology
- U-Shaped aft seating with storage.
- Standard VHF radio.
- Sea Ray Owners Club membership (available in USA and Canada).
- Cockpit wet bar with sink and faucet, solid-surface countertop, stainless-steel handrail, trash receptacle, and storage cabinet.
- Standard LCD drop-down flatscreen TV with DVD in salon.
- Innerspring mattress in forward stateroom.
- Separate shower and head.
- Ultraleather HP standard on all interior seating.
- Standard generator with sound shield.
- Water manifold system with shut-off valve.
- Underwater exhaust.
- Large extended swim platform with heavy-duty stainless-steel swim ladder.
