The PowerBoat Guide had this to say:

Cruisers Yachts continues to offer innovative boats with cutting-edge styling and luxury-class features. Introduced in 2008 as the 360 Express (and called the 380 Express beginning in 2012), this richly appointed family cruiser is agile, roomy, and extremely well finished. As one expects in a boat this size, the feature list is long. Her impressively stylish, full-width salon includes a spacious galley with faux-granite countertop, forward stateroom with privacy curtain, and a U-shaped rear lounge (with table and storage) that easily converts into a double berth for guests. The head has a separate shower stall and features a countertop with Venetian-style tile backsplash. Note the built-in entertainment center and space-saving rectangular dinette. The Cruiser's roomy, guest-friendly cockpit includes a double-wide helm seat, portside chaise lounge, and circular rear settee that converts into a large sun pad. The fiberglass hardtop is standard.
