### **The PowerBoat Guide had this to say:**

The Regal 33 Express and her sister-ship, the outboard-powered 33 XO, are top-tier family cruisers designed for day-boating, entertaining, and weekendng. In most respects, the Regal 33 is a traditional express cruiser with sporty styling, a roomy cockpit, and a functional mid-cabin interior. What makes her different is the build quality—the fit and finish of any Regal boat is always a step above the crowd. Built on a Hunt-designed deep-V hull, the cockpit is the focal point of this boat. A unique feature of the Regal 33 is the electric slide-away aft bench seat which can extend or retract almost a foot, greatly expanding either the swim platform area or cockpit space. The seat back can adjust to face forward or aft or lowered to make a large sun pad—very nice. A molded entertainment center abaft the helm seat includes a refrigerator, sink, and optional TV and electric grill. Below, hull-side windows provide plenty of natural lighting in the innovative cabin with berths for six, an enclosed head and shower, and compact galley. The mid-cabin berth is actually a king-sized bed. Twin 300hp Volvo sterndrive engines cruise the 33 Express at 24–25 knots (about 40 knots top).

## Accommodations
