Adapt for upgraded winches and plumb and fit winch boxes for future electrical

Grab rails (now standard)

Adapt for upgraded winches and plumb and fit winch boxes for future electrical

storage for Windpilot in front locker

Rear

arch/gantry with additional mobile bracket to ease the launch of a dinghy

stern adapted to receive Windpilot

Windpilot installed ready to use

separate mast with Superwind Windgenerator + regulator + cabling

Helman's back Support

Solar panels (2x100W) on orientable brackets on arch

Additional grab handles on the transom edges for safe boarding.

install/weld for future installation of Jordan Series Drouge

Install/weld for Stern Roller

2 additional handholds on arch

Doghouse

Hatch in the roof to air the doghouse (new option)

Engines & Electrical

Engine

Upscale engine from Volvo D2 50 to Volvo D2 75 hp

Double diesel filter RACOR

spurs rope cutter

Folding prop Featherstream

Inside

Heater Refleks (see description)

Preinstallation for Generator

Intake and outlet Watermaker with/without Watermaker

Saloon table convertible into an additional double bed

Energy

Windgenerator (see page 1)

2 x 100 Watt solar panels on arch (see page 1)

Sterling alternator to battery charger (see page 1)

2 additional batteries (price per battery)

Philippi Battery Manager

Electricity

12 V plug at steering column

prise 220 V doghouse standard

prise 220 V espace moteur standard

prise 220 V supplémentaire (côté carré, cabines... prix par prise)

220 V on board

Insulation Transformer Victron 110V- 220 V

Convertor Loader Combi Mastervolt 12-1200 Watt

Additional plugs 12V -220V - Fans

1 additional reading light in saloon

1 additional ledstrip under library with dimmer

1 additional 12V plug in saloon

1 additional 12V plug in front cabin

1 additional 220V plug in saloon

1 Fan in each cabin

Remark : all ligthereplugs (except at steering column)

Electronics

GPS Furuno GP 39

VHF Icom M506

ICOM AIS E/R

FURUNO M1835

FURUNO Compass PG500 to have AIS on radar screen

GPS linked to computer via USB en NMEA

Auto pilot NKE gyropilot

with log = paddle wheel

upgrade to electromagnetic log

NKE wifi module = standard

NKE upgrade to new multigraphic color screen

NKE Barometer module

NKE real wind module

NKE Remote control with MOB function

second NKE screen at chart table

Various

Epirb - Ocean signal

Tricolor at the mast top head (with separate switch)

Communication

Preinstallation Iridium antenna

Wifi Hot spot 3G -4G

Navigation Program MAX SEA TZ (with 1 map Mega wide, 1 current Map, routing program

Interface between GPS and Computer for MaxSea

Accommodations

Optional choices interior

Wood

Ash (standard)

Aft Cabins : choose your configuration

Starboard

2 bunks

1 hanging locker + 1 locker with shelves (2 vertical doors)

Port

1 double bed

1 hanging locker + 1 locker with shelves (2 vertical doors)

OR 2 hanging lockers (2 vertical lockers)

Front cabin

1 double bed

at the entrance of the cabin on starboard :

1 hanging locker + 1 locker

Forward cabin shower only (-Lunacy)

Floor

classic with lines

Color working top in kitchen

Choices colors

Stamskin in saloon

Carré et cuisine

Handhold above kitchen (standard)

Additional Handhold all along the kitchen

Backrest in the saloon

additional footpump in kitchen & aft toilet

Upgrade of Fridge tailormade watercooled (Tektank)

Remote gas solenoid, gas & CO alarm

Equipement complémentaire

Replacing ENO cooker by GN ESPACE COOKER

add heater/blower on cooling system of the engine

Comfort

Replacing the 7 plexiglass in the roof by double glacing

leecloth in aft cabins (price per set)

Salle de bain arrière

Additional hanging bar in aft toilet
