Imported: No

Engines/Generators

Engine 1

Yanmar
3YM30
Inboard
30HP
22.37KW
Fuel: Diesel
Year: 2011

Summary/Description

Since its introduction, the Ranger R-21EC has earned a loyal following among enthusiasts who enjoy cruising at its classic best. Owners of this popular vessel have always measured fuel use in pints per hour, not gallons. The R-21EC interior is spacious enough to accommodate pilot and companion seats, head, galley cabinet and now a larger berth. Inspired by a traditional Bristol Bay trawler design, the Ranger R-21EC will never go out of style, ensuring both lasting appeal and maximum resale value. Easily trailerable, this boat rewards its owner with a level of versatility that few other cruisers can match. PLEASE WATCH THE YOUTUBE WALK THOUGH VIDEOS IN THE LINK BELOW:
