Fuel: Diesel
Hours: 296
Hours Date: 02-28-2024
Location: Port

Engine 2

VOLVO
D6 370
Inboard
370HP
275.91KW
Fuel: Diesel
Hours: 296
Hours Date: 02-28-2024
Location: Starboard

Generator 1

KHOLER
6.50KW

Summary/Description

Wow what a vessel! Only 296 original hours on these twin D6 Volvos. There is not another 34 Sabre in existence in this condition with such low original hours

Wow what a vessel!

Only 296 original hours on these twin D6 Volvos. There is not another 34 Sabre in existence in this condition with such low original hours

This Sabre was ahead of it's time boasting a highly sought after 'galley-up' design, which is now commonplace in all the new coupe designs. If you haven't had the pleasure of experiencing the renowned Sabre quality, please book an appointment to see this gem. Meticulously maintained and upgraded with some of the best equipment you would expect to find on much larger vessels.

This 34 Sabre was a "Freshwater Only" Great Lakes boat up to July 2022. It has been stored in heated storage since day one.

- **All brightwork inside and out is in near perfect condition**
- **Equipped with the preferred Volvo engine package rather than the "old technology" Yanmars**
- **Radar mast is on a custom hinge to lower the overall height for storage or bridges**
- **Trailer is not available or for sale**
