Freshwater use only this vessel features Twin 454-cid 350-hp Crusader Gas Engines with 1430 original hours! Notable features include but are not limited to the following: Air-Conditioning & Heat, Windlass, GPS, Full Galley w/Full Size Refrigerator, Full Bridge Enclosure, and much more. An excellent platform for overnighting and or extended cruising this one is a must see!

The PowerBoat Guide had this to say:

Strong buyer demand kept this maxi-volume sportcruiser (called Carver 34 Santego in 1989 to 1990; Carver 638 Santego in 1991 to 1992) in production for well over a decade. Expansive full-beam salon with facing settees, large galley creates guest-friendly layout seldom encountered in a boat this size. Notable features include private bow stateroom, large head with stall shower, huge flybridge with foredeck access gate. Large swim platform and roomy cockpit. Twin 300hp V-drive gas inboards cruise at 18 knots.
