The PowerBoat Guide had this to say:

Popular 1990s sportcruiser delivered space, amenities of more expensive competitors at surprisingly affordable price. Conventional mid-cabin interior offers expansive salon with U-shaped dinette, well-equipped galley, separate stall shower in head. Several cockpit plans were offered over the years, all with wet bar, walk-through windshield. Additional features include radar arch, bow pulpit, well-arranged engine room. Prop pockets reduce draft, improve hull efficiency.
