Freshwater / Great Lakes boat since new, this Malibu 21 LSV Sunscape features a single Indman 5.7l gas engine with less than 425 original hours. The boat is an original highly rated, award winning ski boat with an award winning design that was primarily used as a runabout "tube-hauler" on inland lakes. The high-maintenance teak swim platform was replaced with a new Malibu fiberglass platform that adds functional beauty. To give the boat a more modern, sleeker look, the seller removed some of the decals. New helm gauge cluster. Features also include Removable face Entertainment System, Integral 60 Quart Ice Chest, Storable Table, Bow Wind Block, Swivel Pylon Head, Swivel Bi-level Pilot's Seat, Dual Gas Fills, Interior Courtesy Lights, Dual Rear Storage and Underfloor Compartments and MUCH more!

Broker Notes: Also comes with custom matched Venture 2023 Trailer w/1200lb Single Wheel Swivel Tongue Jack and Single Axle Brakes. Maintenance Records for the Life of the Boat are Available. Highly Recommended by this Listing Agent!
