The PowerBoat Guide had this to say:

Appealing weekend retreat is proof that good boats don't have to cost a fortune. Many standard features -- windlass, generator, air-conditioning -- cost extra on other boats. Update in 2000 lowered salon floor and raised foredeck for increased cabin headroom. Changes in 2002 included new floor-plan, extended swim platform, increased fuel. Note walk-through windshield, electric engine hatch.
