Summary/Description

ZORA is a heavily-built 1981 39' Mariner Center Cockpit Sloop.

IN 2004-2014 she had major refits and numerous upgrades by her previous owners who sailed to Venezuela and back. Their complete refit is listed here and you can also go to their website: sailzora.com. The present owner, 3rd owner, purchased **ZORA** in 2016 and have sailed with their children the Maine coast. Due to severe back issues, the owner has listed the vessel for sale. The inventory includes numerous spares and all USCG equipment. Please call us if you wish to inspect this quality vessel. She is certainly capable of offshore sailing. Thank you for your interest.

Also, survey from previous owner done in 2012 describing refit is available.

Overview

HULL & DECK:

- White hull, original gelcoat, blue boottop, green bottom.
- Strongly built hull of solid fiberglass - at turn of bilge, it is 3" thick.
- Underbody configuration is short fin keel with separate skeg-hung rudder; propeller is protected in aperture.
- External lead ballast.
- 12 opening ports and seven opening hatches.
- S/S bow and stern rails.
- Double lifelines.
