Sail

Slab-reefing fully-battened Mainsail on a Selden track system for bulletproof mainsail handling. Large Genoa is handled with a beefy Furlex furler that makes reefing for furling the genoa a breeze.

Rigging

Conventional rig, easily trimmable backstay with Furlex furler on the forestay.

Rudder

Streamlined semi-balanced rudder with self-adjusting pendulum bearings. Twin steering pedestals with integrated single lever engine control to starboard. Emergency tiller
