Summary/Description

You and all your loved ones are cordially invited to lead double lives aboard the incredible 350 Express. Because the surprising 350 is actually two yachts in one.

You and all your loved ones are cordially invited to lead double lives aboard the incredible 350 Express. Because the surprising 350 is actually two yachts in one. It's engineered for the swift acceleration and nimble handling of a pulse-quickenning performance boat. And yet it provides a number of lavish features and extras you'll only find in much larger yachts. Two exciting lifestyles in one model.

This 350 Express is the cleanest example that will ever hit the market! With under 400 hours on the twin Volvo 8.1's and joystick docking, this boat is equipped beyond its time and will always feel modern and capable! The cabin area looks like the day it came off the assembly line, and the engine bay is equally as spotless! Do not miss out on this hardtop beauty!
