Summary/Description

Fully equipped gorgeous mint condition 2009 Rinker 400 Hard top with over \$113k in upgrades in last 2 years.

THE MOST EQUIPPED AND COMPLIMENTED RINKER 400 HARDTOP ON THE MARKET...

This fully equipped and gorgeous Rinker 400 has over 113k in upgrades including Dual iPadPro 12.9 custom instrumentation with Vessel View and Bluetooth sound system connectivity, underwater lighting, all new upholstery, light fixtures, faucets and curtains, custom Seadek flooring, custom swim platform guard rail, and new canvas (2021).

THE RINKER 400 EXPRESS CRUISER HARDTOP INSPIRES SERIOUS NOTICE...

This cruiser is the ultimate combination of performance and luxury. With her proven hull design, she welcomes offshore conditions at top speed or slow cruising. Add a great cockpit design and a cabin sculpted for comfort, and you have a real crowd pleaser for friends and family alike. Exceptional interior design, large aft cabin and nearly 7ft of cabin headroom makes weekends down below just as enjoyable as comparable larger cruisers.

THE LARGE EXPRESS CRUISER THAT HANDLES LIKE A DREAM...

Newer boaters can feel comfortable with the easy maneuvering sterndrives, combined with the bow thruster on the 400 and she feels less intimidating than inboards to many. Sterndrives are great in shallow water, too, where you can trim up. You also have the option to trim constantly underway to maintain peak efficiency and ride performance. When you've reached your destination, the power windlass will be your copilot making anchoring a breeze.
