Summary/Description

This well equipped Hard Top Sundancer 420 with Cummins Diesel engines, generator, AC, radar, GPS, and so much more belongs at the end of your dock!

Yet another Sea Ray sales success story, the 420 Sundancer (called the 44 Sundancer in 2006-08) set the gold standard for express yacht styling and luxury during her production years. Her bold styling compared well with the best Mediterranean sport cruisers of her era, and a large cockpit and spacious interior made many of her European counterparts seem small in comparison. Built on a deep-V hull with prop pockets to level the engines, the luxurious two-stateroom, two-head floorplan of the 420 Sundancer is an impressive blend of high-gloss cherry joinery, Ultraleather seating, and designer fabrics. Privacy doors separate both staterooms from the salon, and the Sundancer's full-service galley includes an under-counter refrigerator/freezer in addition to Corian counters and hardwood flooring. Topside, the entire cockpit sole can be raised at the push of a button for engine access. Split forward head compartments, transom storage locker, and underwater exhaust system were standard. Equipped with Cummins 420hp V-drive diesels cruise in the mid/high 20s.

Sleek styling, a large, comfortable cockpit and a luxurious interior that sleeps plenty are just the right formula for endless fun in this 2003 420 Sundancer. A wealth of instrumentation and information is at the captain's fingertips, and twin Cummins diesel engines with V-drives will get you to most any destination with ease. The beautiful, yet efficient, galley includes a host of conveniences that will make each on-the-water excursion thoroughly enjoyable.

RUBY TUESDAY has been in her owners care for a couple seasons now, and is ready for new ownership! In addition to being a beautiful model within the SEA RAY lineup, it's spacious layout and comfortable handling and ride will be welcomed wherever you plan on keeping it.
