## Summary/Description

The History of Cruisers Yachts dates back to 1904 when Peter and Chris Thompson co-founded the Thompson Bros Boat Manufacturer Company in Peshtigo, WI.

The History of Cruisers Yachts dates back to **1904** when Peter and Chris Thompson co-founded the Thompson Bros Boat Manufacturer Company in Peshtigo, WI. The start of a family boat-building business led to the second generation of Thompson's starting Cruisers, Inc. in 1953.

The 340 express is a great cruiser, 36' 3" of luxury for a yacht this size. This yacht is a solid boat, and it is like two boats in one. It is built for swift acceleration and handling and is a spacious cabin for the whole family.

This 340 Cruisers yachts is a clean boat, and The canvas is in great shape! all the carpeting and wood inside is in excellent condition and shows very well!

**Twin 8.1L Mercruiser V-Drives (700hrs) - Kohler 7 KW Generator - Air/Heat - Full Camper - Windlass - Updated GPS/Sounder**

*Just listed April 5, 2023 - more photos/videos/details coming soon*

### Manufacturer Provided Description

The Cruisers 340 Express offers unbeatable performance in an expertly designed, luxurious cruising package. Her interior accommodations will sleep five comfortably. The forward stateroom features a large double bed with easy access, and the stateroom can be closed off from the salon by a privacy curtain or an optional bulkhead and door. Aft, owners can select either a fixed double berth, maximizing overnight accommodations for guests, or an alternate layout with a circular settee that can also be converted to a double berth. With the settee layout, this area can effectively lengthen the salon into one wide open living space or, with the privacy curtain, it can serve as a comfortable midcabin. The facing dinette - or available crescent-shaped, convertible dinette - to starboard provides an additional berth. Located just to port of the companionway is a full-service galley with all the amenities, including a large refrigerator/freezer, microwave and double-burner electric stove. For additional onboard convenience while cruising or living aboard, the 340 also provides a feature unusual for a boat in this class: a spacious head with a large, separate shower stall and full standing headroom. Above decks, the 340 has a generous cockpit seating arrangement that is ideal for dockside or on-the-water entertaining. She also features a wet bar, cockpit shower and available cockpit refrigerator or ice maker - perfect for fun-filled summer afternoons with family and friends. A custom-fitted enclosure will keep everyone protected from the hot sun or inclement weather. And, the 340 Express boasts a wide variety of power options, as she is available with either stern drive or inboard power.
