## Summary/Description

2020 Neel 51 Trimaran

### **MOTIVATED SELLER!!!**

Discover the unparalleled stability and cutting-edge technology of the Neel 51 Trimaran, an outstanding yacht nominated for European Yacht of the Year, now available for purchase in Miami. With a motivated seller accepting Bitcoin and offering a FaceTime walk-through, this is an exceptional opportunity to own a yacht designed for both performance and comfort. The Neel 51 is equipped with a Volvo Penta engine boasting low hours and a robust Cummins generator, ensuring reliability across both 220V and 110V systems for global sailing compatibility.

Built by NEEL TRIMARANS in La Rochelle, a hub of sailing excellence, this trimaran is not just a boat but a statement of luxury and efficiency. It features a lightweight build that enhances its speed and agility, achieving cruising speeds of 10 knots and up to 18 knots under the right conditions. The spacious design includes four guest cabins and an owner's cabin on the main deck with panoramic views, making it perfect for entertaining and comfortable living at sea.

Advanced features include state-of-the-art air conditioning, underwater lights and cameras for nighttime adventures, a new dinghy, and scuba gear setups, all aimed at enhancing your maritime experience. Whether you're navigating open oceans or anchored in serene bays, the Neel 51 Trimaran promises a sailing experience like no other. Embrace the future of sailing with this meticulously designed masterpiece.

**Face Time Walkthrough Available / Located in Miami**

### **MOTIVATED SELLER!!!**

**BITCOIN ACCEPTED: Wallet to Wallet transfer ok!**

**Neel 51 Trimaran - Nominated for European Yacht of the Year!**

**Engine Hours - 715 / Volvo Penta D2-75F**

**Cummins Generator - 2250 Hours Both 220V and 110V systems - global compatibility**

### **Key Information:**

- Model: Neel 51
- Delivery Year: 2020
- Length: 51 Feet
- Draft: 5.91 Feet
- Guest Cabins: 4
- Hull Material: Fiberglass/GRP
- Certification: CE Class A (Open Ocean Navigation)

### **Performance:**

- Average Cruising Speed: 10 knots speeds of 15-18 knots with right conditions.
- Daily Range: Over 200 nautical miles

Built by NEEL TRIMARANS in La Rochelle, the sailing capital of France.

### **Innovative Design Features:**

- Weight: lightweight at 15 tons (compared to 23 tons of a similar Lagoon 52)
- Sailing Dynamics: GREAT weight-to-power ratio.
- Efficient close-hauled edges and comfortable sailing because of its low angle of heel.

#### **Anchor and Harbor Features:**

- Solid alignment of the trimaran's central hull creates stability and comfort at anchor.
- The three-hull design boasts an impressive interior.
- An owner's cabin on the main deck offering a panoramic view.

TECHNICAL ROOM HAS 6'2 Headroom!!

Vacuum-bonded PVC/foam, glass fiber/isophthalic polyester resin, and other high-quality materials.

With its three hulls, the Neel 51 offers unmatched stability.

The Neel 51's centered weight distribution provides enhanced handling, performance, and much better weight distribution than a traditional catamaran.

Neel trimarans are accredited by CE European standards, backed by the French Institute for Nautical Certification and Standardization (ICCN).

#### **Features Include:**

- Air Conditioning: State-of-the-art air conditioning system!
- Equipped with underwater lights and cameras, making nighttime swimming incredible!
- A brand-new TV W/ Starlink connectivity. Fusion Apollo Stereo
- Advanced sonar technology. B&G Radar, A top-of-the-line radar system.
- Advanced remote Autopilot system.
- XM Weather Radio: Stay updated with real-time weather forecasts.
- Scuba Ready: Fitted with scuba tank holders.
- New Dinghy!
- Life Jackets and Flares:
- Remote Control Anchor Lift, safe anchoring with the touch of a button.
- Deck/Mast Illumination: Superior lighting solutions for night-time sails.
- New Trampoline!
- Windows Tinted
- Both 220V and 110V systems = global compatibility
- Generator just serviced.
- Underwater camera
- Inflatable pads
- Extra hot and long hose
