Summary/Description

2002 Hatteras 70' Convertible

Discover the epitome of luxury and performance with the Hatteras 70 Convertible "MRS. Z". This maritime marvel is not only equipped with a state-of-the-art Naiad fins stabilizer and a hydraulic bow thruster system but is also powered by the formidable twin MTU 16V 2000 engines, each producing 1800 horsepower. Accompanied by twin Onan generators and benefiting from a comprehensive engine service in 2020, including oil change impellers and cooling system maintenance, "MRS. Z" is a testament to meticulous upkeep.

Designed for the discerning mariner, "MRS. Z" boasts operational redundancies across her equipment, ensuring extended sea-faring adventures far from the coast. With a dry weight of 118,000 lbs., a capacious cockpit, and a full-beam master cabin, she offers unparalleled space and comfort. Additional luxuries include an Eskimo ice machine, onboard water maker, davit, and dinghy, enhancing every journey.

Whether navigating the serene waters of the Bahamas, exploring the vibrant Caribbean, or cruising the diverse U.S. coastlines, "MRS. Z" is ideally suited for both leisurely cruising and avid angling expeditions. She stands ready to deliver unforgettable experiences on the open water.

Discover the Elegance and Functionality of Mrs. Z's Deck!

Embark on an unparalleled maritime adventure with Mrs. Z, a yacht that seamlessly blends luxury and utility from bow to stern. Her deck is a masterpiece of design and equipment, promising both seasoned sailors and enthusiastic explorers an exceptional journey on the water.

- **Sophisticated Entry:** Adorned with a bow pulpit and bow rail, the entrance sets the stage for the elegance that lies beyond.
- **Anchor with Ease:** Featuring a Maxwell 2200 windlass, anchoring is swift and secure, complemented by 8 robust stainless steel cleats.
- **Seamless Tender Operations:** The Marquipt 1500 davit ensures smooth launching and retrieval of the included 2002 Boston Whaler 130 Sport for your exploratory needs.
- **Angler's Delight:** Equipped with a Murray fishing chair on a stainless steel pedestal and optional teak table,

alongside Rupp triple spreader outriggers, every fishing expedition promises success.

- **Illuminate the Night:** New Tower LED spreader lights enhance evening or early morning outings, ensuring visibility and safety.
- **Fishing Excellence:** The tuna tower enhances the yacht's fishing capabilities, allowing for unparalleled fish spotting and line management.
- **Onboard Refreshments:** With an ice chipper and cockpit freezer, your catch stays fresh, and beverages remain chilled.
- **Commanding Views:** The flybridge hosts a second station helm, offering a commanding view and control, perfect for navigating or finding the next great fishing spot.

Mrs. Z is more than just a yacht; she's a floating haven for those who demand the best in maritime leisure and sport. Whether you're cruising the azure waters or seeking the next big catch, Mrs. Z's deck is equipped to deliver unforgettable experiences.

Engine Notes

Power, Performance, and Peace of Mind: Mrs. Z delivers value where it matters most!

- **Twin MTU Powerhouses:** Each of the two MTU 16 V 2000 engines delivers a breathtaking 1800 horsepower, ensuring robust performance and thrilling speeds.

- **Reliable Energy Onboard:** Equipped with dual Onan generators, each offering 21.5 Kw, you'll enjoy uninterrupted comfort and convenience on your voyages.
- **Smooth Sailing Ahead:** Thanks to Naiad Stabilizers and a hydraulic bow thruster, experience stability and precision handling in any sea condition.
- **Uncompromised Comfort:** An air conditioning raw water pump, backed by an additional pump, guarantees a cool and comfortable environment throughout your journey.
- **Fuel Efficiency:** With fuel transfer pumps and their backups, managing your fuel supply becomes effortless, ensuring longer, worry-free cruising.
- **Power Management:** Master Volt battery chargers provide efficient and reliable power supply management for all your onboard needs.
- **Pristine Engine Room:** A testament to meticulous maintenance, the engine room is exceptionally clean, housing a fixed oil exchange system for optimal engine health.
