Summary/Description

2009 Boston Whaler 250 Outrage Powered w/ Twin Mercury Verado 200 HP outboards w/ only 365 Hours

The 250 Outrage from legendary Boston Whaler offers the perfect combination of hardcore fishing and luxurious cruising. With unmatched versatility, you can enjoy the water your way: Entertain, Cruise, Troll, Deep-Drop, or Dive from this beautifully maintained, offshore-tuned center console!

- Efficient performance from twin 200HP Mercury Verados provides 45+ mph top speed and 300+ mile range at cruise
- Unsinkable hull makes quick work of rough water
- Comfortable, functional seating throughout
- Tons of fishing features, including 12-inch Garmin electronics, Taco outriggers, fold-away trolling seats, bait prep station with livewell, sink, and tackle storage
- Deluxe helm seat upgrade provides captain's chair and stationary companion seat
- In-console head and freshwater shower
- Professionally maintained w/ service records
- Brand new switches installed at the helm

Manufacturers Description

First introduced in 1970, Boston Whaler's Outrage family is known for some of the most capable center console offshore fishing boats on the water. The rugged 250 sports the sleek and purposeful lines of an Outrage, punctuated by innovation. As the inventor of center console design, Whaler has invented it all over again with its exclusive integrated hardtop / windshield system, available as an option on the 250. This sturdy structure, reminiscent of a pilot house, encloses the console on three sides to provide weather protection, with integrated frame legs for more space and snag-free boating. It features a beautiful, custom powder-coated frame, bonded glass and no exposed fasteners for a clean appearance. Of course, these are full-bore fishing machines, teeming with features like a deluxe bait prep center, tackle storage and optional fold-down trolling seats. As you'd imagine, the list of notable options and accessories goes on and on.

Serious anglers who refuse to sacrifice comfort, safety or style have found their boat in the center console 250 Outrage®. Enjoy comfortable, functional seating throughout, great fishing features, and the power and range to confidently pursue your ambitions. Yacht owners can count on the 250's unsinkable performance and sleek style as a first-class tender, as well.

Powerboat Guide Details and Specs

Boston Whaler 250 Outrage

Overview

State-of-the-art fishing machine with wide 9-foot beam and aggressive deep-V hull - a luxury 25-footer with a price to match. Optional hardtop has a split windshield with support mullions instead of aluminum tubing, which is very cool. Forward console seat converts to sun pad also cool. Note foldaway jump seats on either side of the console.

Features

Integrated swim platform; walk-in console with marine head; leaning post with flip-up bolsters; 40-gallon livewell; bait-prep area with sink; raw-water washdown; tackle storage; in-deck fish boxes; U-shaped bow seating; foldaway stem seat; transom rod holders; transom door.

Performance

Over 45 mph top with twin 200 Verados.
