Summary/Description

When not in it's sparse use the "Arriba" has been kept in covered storage in a shed. It's comfortable and it's hull design is top-notch in all conditions.

Boston Whaler themselves said it best themselves when it comes to 320 Vantage:

"Cutting-edge features, great capacity and easy adaptability are hallmarks of the dual-console 320 Vantage®, winner of the National Marine Manufacturers Association's Innovation Award for it's convertible seating. Rock-solid control meets the ultimate in versatility and comfort with the many accessories and options the 320 provides. Serious fishing, joyful entertaining, day-long watersports or cruising and even a place to sneak in a nap or an overnight stay, the 320 is ready for your day. When the softest, safest ride meets the best equipped dual-console around, new possibilities become eminently possible. With Whaler, you can be confident to the core."

When not in it's sparse use the "Arriba" has been kept in covered storage in a shed. It's comfortable and it's hull design is top-notch in all conditions.

There are many features that make this boat so enjoyable. The joystick control gives the boat easy maneuverability favored by both beginners and experts. Controls are well placed and intuitively labeled. The layout of the boat makes for an easy social atmosphere while boating with friends and family.

Needless to say Boston Whaler's reputation is unsinkable, but they really outdid themselves with the design of the Vantage 320, it's the perfect boat for it's size and a true pleasure on the water.

Manufacturer Provided Description

The 320 Vantage is the next evolution in dual-console capability. Cutting-edge features and amenities are the hallmarks of this multicapable model. The portside companion area features two spacious benches with multiple configurations--facing forward or aft, combined to form a huge sun lounge, with bolsters up, with or without the aft ottoman engaged... the list goes on. At the helm, a state-of-the-art VesselView display and available Raymarine® navigation electronics offer seamlessly integrated control. For entertaining, the cockpit utility center with electric grill, fridge and sink can feed a crowd--and can be optioned as a complete fish prep station. Strong, reliable and efficient Mercury Verado® outboards power day-long watersports or cruising, while a new cockpit sunshade deploys electronically from the hardtop to extend protection all the way to the convertible aft bench. The 320 Vantage also features a starboard dive door with a removable stainless-steel ladder for easy water access. And with generous port and starboard console compartments, featuring a convertible berth and a well-equipped head, respectively, every member of the crew can enjoy added comfort. When the softest, safest ride meets the best equipped dual-console around, new possibilities become eminently possible.

Bow Area

- 12-V receptacle
- Bow bolster
- Bow cushions with backrests
- Bow walkthrough block off panel
- Drink holders (4) - stainless steel
