Summary/Description

Own your floating home or cottage on the water!

Own your floating home or cottage on the water!

The renowned Hatteras 43, one of the most solidly built vessels built by one of the most highly respectable boat builders in North America. This solid 43 is a 2 cabin Motor Yacht, with large interior salon, galley with full sized fridge, and 2 heads with separate shower. Twin Cummins 8903's provide the power. Reverse cycle heat/air to keep you warm or cool.

Great condo alternative – live on the water for a fraction of the cost, choose your neighbors, take your friends and family out to the beach, airshow, cruise the Toronto islands! Her classic lines and fuel sipping, reliable diesel engines make her stand out from the crowd
