Summary/Description

Three stateroom, two head layout with light oak interior and Winner Silver upholstery. How can you enjoy life at anchor as much as while sailing? With the innovative flared hull design of the Oceanis 40.1, BENETEAU has broken new ground but made no concessions. The result is a hull that has true speed potential and is stiff under sail. Above the waterline, her deck plan and ultra-spacious interior by Nautia Design is unheard-of on a boat this size. You cannot help feeling that you are aboard a 45 foot cruiser!
